8	2/2/2017	+4.1	58	68	19	33
<b>Breed Average</b>		-1.4	58	91	24	-----

Select four Red Angus bulls to keep in a registered operation. This operation sells bulls and heifers to other registered and commercial cattle producers. They pride themselves on producing sound, easy-keeping cattle who possess a balance of growth and maternal genetics. Labor during calving season is limited. Forage/feed resources are average.
